## THIS WEEK:

"In joy, we have the bright light of God emanating from within us. Proclaiming to all nations that God has come, that God has proclaimed hope to the margins, and that we are walking the path of wholeness, of restoration of peace. Are we willing to put on the garments of joy, or are we more comfortable keeping on a few undergarments of cynicism, of hopelessness, of fear, of anger? Are we ready to celebrate the coming of the Christ to the margins? Can we celebrate that we do belong truly in God's house, regardless of what others say, we don't need to hope for it. We don't need to pray for it. We don't need to imagine someday we belong. We are loved. Today, this moment, without having to do anything else, can we celebrate that we are free from obsessive rule following an assessment, and we can simply run into the adventures that God has for us."
